Disbursements such as national and international telephone calls, telefax charges, copying and print charges, stamp duty, counsel's fees, correspondent's fees, etc. and out-of-pocket costs, incurred in the performance of our mandate, are charged separately. We will require you to reimburse any substantial expenses such as hotel accommodation and airfares to be incurred during trips out of town on your behalf.

We shall charge Value-Added Tax at the standard rate (presently 15%) on all our invoices. The above rates exclude any such VAT.

We shall submit invoices to you at regular intervals, most likely once every month. On finalisation of the matter, we shall submit a final invoice. Invoices are payable on presentation, and we should like to request payment within 7 days of receipt.

3. ADJUSTMENT OF RATES

The rates stipulated herein are subject to change and reviewed annually. These changes may be effected without prior notice.

You are entitled to terminate our mandate at any time by notice in writing to us. We reserve the right to terminate our mandate should a conflict of interest arise, should payment which is due to us not be made, or should we be unable to obtain full and proper instructions. Upon termination of our mandate, we will submit a final account for the work done by us to that date, and would expect payment before we release our work-product to you.
